Dear [REDACTED]

25X1A

During my discussions with you and Wendel last week regarding the [REDACTED] job, I asked about the possibilities of re-opening all or part of the additional money for the changes in scope we encountered.

Is this something that you and Wendel can discuss further and help us out? It turns out to be a sizeable loss instead of a break-even situation, which at our state of development hurts very much. I would appreciate your advice.

Best regards,
